

Frida Catlo was a talented artist born in **Meowxico City** in 1907. She and her family lived in a house called La Casa Azul.

Frida and her father, **Guillermew**, were very close. He taught her all about photography. She would even help him develop photographs.

When Frida was young, she got into a **clawful** accident. She stayed home to heal, and had a lot of time on her **paws**.

So, she spent it painting until her art was **purr-fect!**
